RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Dear Sir:

In response to the Office Action dated September 14, 2005, hereinafter "the Office Action", Applicants respectfully submit the following response.

Claims 22 through 42 are pending in the application. Claims 1 through 21 were previously canceled. Claims 22 through 42 were previously added.

The Office Action requires Applicants to elect a single disclosed species for prosecution on the merits. The Office Action asserts that an election of a single species is required from one of the following species:

Species I, correlating to the embodiment disclosed at paragraph 30 of the specification,
Species II, correlating to the embodiment disclosed at paragraph 51 of the specification,
Species III, corresponding to Fig. 6,
Species IV, correlating to the embodiment disclosed at paragraph 53 of the specification,
Species V, correlating to the embodiment disclosed at paragraph 151 of the specification,
Species VI, correlating to the embodiment disclosed at paragraph 152 of the specification,
Species VII, correlating to the embodiment disclosed at paragraph 166-169 of the
specification,
Species VIII, corresponding to Fig. 20,
Species IX, correlating to the embodiment disclosed at paragraph 158 of the specification,
and
Species X, corresponding to Fig. 16.

Applicants respectfully submit that the above-mentioned restriction requirement is defective, as the Office Action does not clearly and unambiguously indicate the corresponding description of each of the alleged species. The Office Action refers to paragraph numbers in describing the alleged embodiments. However, the specification as filed does not contain paragraph numbers, but rather contains line numbers. As a result, Applicants cannot be certain which embodiments are being referred to.

Applicants thus respectfully request the issuance of a new Office Action, referring to the above embodiments preferably by line and page number, so that Applicants can properly respond to the restriction requirement.

Applicants respectfully request favorable consideration and passage of this application to allowance.

Respectfully submitted,
